달빛
DALBIT Soju
You don’t have to be perfect to shine.
From afar, the moon shines beautifully.
Yet up close, its surface is filled with imperfections, shadows, and scars.
Just like the moon, we all have our own stories, struggles, and moments of light and darkness.
At DALBIT SOJU, we believe true beauty lies in embracing who we are.
Different stories. Different moments.
Different ways to shine.

DALBIT Soju

Why is DALBIT so special?

Brewed from nature.
Made with pure underground bedrock water from clean mountain sources for exceptional purity.

Real fruit juice used.
Blended with real fruit juice for a naturally delicious taste.

Korean premium flavors.
Inspired by Korea's unique ingredients and crafted with premium flavors.

Apple and pear wine blend.
A refined blend of apple and pear wine for a smoother, richer, and deeper flavor.

Triple charcoal filtration.
Filtered three times for exceptional purity and smooth taste.

We combine the purity of nature with real fruit juice, Korean premium flavors, an apple and pear wine blend, and triple charcoal filtration to create a soju that is exceptionally pure, smooth, and delicious.
